## **Will you still have a job next year?**

Everyone has concerns about the future and who and what they can count on. Maybe... you should be counting on yourself. The risks of starting your own business can be a little daunting. But, in today's business climate we need to ask, what about the risks of being an employee?

Merit Professional Coatings is a renowned commercial painting contractor, headquartered in Tampa. And they are offering peace of mind and more job security through a unique 100% commercial painting franchise. It is the first ever, 100% commercial offering and this is a ground floor opportunity.

**You can do this!**  
**Start chasing your dream.**
